Sir,

Subject Conversion of Hosekote into a Town Municipality

I have the honor to state that the Hosekote Minor Municipal Council have been separately urging for the conversion of their Municipality into a Town Municipality in order to raise its status and improve the finances with its enhanced powers The normal income of the Municipality is for the last five years as noted in the margin* It is seen therefrom that its average income is above 10,000/- per annum (the population of the town is 6,200 as per census of 1941 The requirements of Sec 5 (1) of the Town Municipalities Act 1933 have therefore been satisfied (in the above case

1936-37	Rs 9147-2-11
1937-38	Rs 10776-10-6
1938-39	Rs 11190-5-9
1939-40	Rs 10676 -8-8
1940-41	Rs 11874- 9-10

2) On a previous proposal made by the Municipality in this behalf it was ordered in his office memo D Dis C2 4130/39-40 dated the 25th Oct 1939 that as the Municipality was just showing an income of Rs 10,000/- it was not desirable to convert the same into a town municipality then the Municipal Council have again unanimously resolved at their meeting held on the 28th March 1942 that their request be reconsidered The Controller to Government has addressed in the matter of the increased expenditure to be borne solved from the above conversion sates in his letter No 89-C L A D (copy enclosed in the file) dated 12-8-1942 that the conversion into a town municipality will not entail any increase in the quota of contribution to the Government the only item of the increased expenditure will be additional provisionary contribution on the extra staff to be entertained this is only a minor item the Municipal Council have resolved their meeting held on 14th August 1942 that they are able to bear the extra expenditure

3) Hosakote Town has got all the amenities of big municipality such as protected water supply and the electric illumination etc Its income is also increasing and is more than that of the town municipalities in the district like Devanahalli, Kadiganahalli The conversion besides enhancing the status of the municipality confers their rate-payers the privilege of electing a member to the Representative Assembly from the urban constituency Both the Collector and the Sub Division Officer recommend the conversion into Town Municipality

4) I agree with the local officers and request sanction of Government may kindly be obtained to the conversion of the Hosakote Minor Municipality into Town Municipality under Sec 5 (1) of the Town Municipalities Act of 1933 The conversion is

Sir,

Subject - conversion of Hosakote into a Town Municipality

I have the honour to state that the term of Hosakote Minor Municipality expires on 1-1-1944. Instructions have been issued to the President of the Municipality to take necessary action for holding the general elections well in time. Recommendation has been made to Government in this office letter of even no dated 5-7-1943 for conversion of Hosakote into a Town Municipality with effect from 1-1-1944. The revised voters' list has to be published three months prior to the date on which the term of the Municipality expires. This means the voters' list will have to be published before 30-9-1943 and its preparation will take about one month. The Amildar President of Hosakote Municipality solicits instructions whether the voters list has to be prepared under Town Municipal Election Rules. I therefore request that orders of Government converting this into a town Municipality may be kindly obtained at a very early date so that necessary action may be taken well in time to prepare the voters' list as per rule 6(1) of the rules regulating elections in Town Municipal Councils
